LSCU Announces Congressional Endorsements for 2022 Election Cycle

DULUTH, GA – Representing Georgia credit unions and their more than 2.2 million members, the League of Southeastern Credit Unions & Affiliates (LSCU & Affiliates) is proud to announce key congressional endorsements for the 2022 Election Cycle.

The list of endorsements is as follows:

- U.S. Representative Sanford Bishop (D) for Georgia's 2nd Congressional District
- U.S. Representative Drew Ferguson (R) for Georgia's 3rd Congressional District
- U.S. Representative Nikema Williams (D) for Georgia's 5th Congressional District
- Rich McCormick (R) for Georgia's 6th Congressional District
- Mike Collins (R) for Georgia's 10th Congressional District
- U.S. Representative Barry Loudermilk (R) for Georgia's 11th Congressional District
- U.S. Representative David Scott (D) for Georgia's 13th Congressional District

"We are incredibly proud to support this bipartisan list of candidates in their bids for re-election. These candidates have demonstrated an unwavering commitment to standing up for Georgia credit unions and our priorities," stated LSCU & Affiliates CEO, Patrick La Pine. "As credit unions continue to invest in their members and local communities, we look forward to working alongside these officials to further enhance the financial well-being of Georgians."

With these endorsements, LSCU & Affiliates will support these candidates financially and through grassroots efforts. Over the next several months, credit unions and their members will have opportunities to speak with the candidates so they can make their own decisions as voters.

“Throughout the pandemic, it became especially apparent just how vital the relationships between credit unions and federal offices are. In the last two years, we proudly worked with Congress to save more than 21,000 jobs through Paycheck Protection Program loans and protect businesses through the issuance of more than \$1.5 billion in small business loans. Through continued efforts, credit unions have contributed more than \$2.5 billion to Georgia’s economy to ensure families and businesses across the state had the resources and assistance they needed to get through the pandemic,” continued La Pine. “We look forward to strengthening our relationships with these officials in 2023 and beyond, so that we may continue creating a financial environment where all Georgians can succeed.”
