

Job Title	Vice President of Lending
Short Description	An exceptional opportunity for an innovative and creative leader who is able to manage risk while positioning the Credit Union for long term loan growth.
Full Description	<p>Connect Credit Union is currently seeking a Vice President of Lending to join the executive team. This is an exceptional opportunity for an innovative and creative leader who is able to manage risk while positioning the Credit Union for long term loan growth. This critical leadership role will be responsible for strategic development and management of all lending functions including: consumer lending, indirect lending, mortgage lending, and collections. This includes all aspects of portfolio production and management; ensuring proper and compliant policies and procedures are in place; ensuring consistent and quality credit analysis, collateral valuation and underwriting decisions are being performed/rendered; implementing and maintaining all loan production and support systems; managing risk mitigation, internal controls, and audit processes; and performing accurate and timely portfolio trend, composition, and production analysis. The candidate should have a track record of being able to develop and lead a balanced sales/service culture for a performance driven lending operation. The candidate must have strong verbal communication, written communication, training, interpersonal, computer, and project management skills to succeed in this dynamic role. MeridianLink loan origination system experience a plus. The position requires a minimum of 10 years' relevant work experience within the financial services industry (credit union, bank) including underwriting and executive management.</p> <p>Based in Fort Lauderdale, Florida, Connect Credit Union has been serving members in over 19 counties within Florida for over 59 years.</p>
