

Job Title

Sr. Director of Digital and Operations Transformation

Short Description

The Sr. Director of Digital and Operations Transformation enhances operations and develops and executes plans to optimize processes and technology to keep current with the latest emerging industry trends and member centric approaches. This position will have an in-depth understanding of current operations, processes, systems, technology, and the member/consumer journeys at the Credit Union to assist in enhancing the member experience and driving growth across all channels. This Sr. Director has a digital first focus and recommends innovative technology, leads integration and implementation across systems through collaboration with all business units. This position also manages digital/mobile banking and other key digital products to enhance the user experience and meet their ever-changing consumer expectations.

Full Description

Headquartered in Jacksonville, Florida, and home to miles of unwinding beaches, deep-rooted history, and exhilarating attractions, RadiFi Credit Union (formerly known as Jax Federal Credit Union) proudly dedicates itself to the credit union's promise of people helping people. Approaching \$600 million in assets, the Credit Union provides open membership to anyone living, working, learning, or worshipping in Duval, Clay, Nassau, Baker, or St. John's County.

RadiFi Credit Union is seeking a Sr. Director of Digital and Operations Transformation who will be an important leader within the Credit Union reporting to the Chief Experience Officer (CXO).

The Sr. Director of Digital and Operations Transformation enhances operations and develops and executes plans to optimize processes and technology to keep current with the latest emerging industry trends and member centric approaches.
