

LEAGUE INFOSIGHT MASTERCLASS

In partnership with LSCU
April 17 - April 21, 2023

Join us in Atlanta, Georgia for an in-person masterclass series on federal and state topics for Alabama, Florida, and Georgia.

The Compliance Masterclass Conference offers a variety of compliance/risk training opportunities for attendees. Get up-to-date training on specific compliance requirements, resources, and business expectations for both **federal** and **state topics** for Alabama, Florida, and Georgia.

Employees can attend the weeklong conference or attend one day to gain expertise on topics like deposit accounts, lending fundamentals, real estate lending, operations, business continuity planning and risk management.

Attendees will test at the end of the conference (or day depending on their registration) and can receive a badge in a particular focus area or the Masterclass Badge which certifies an understanding of all topics covered during the conference.

Education for front line staff, loan officers, mortgage loan officers, BSA officers, Compliance officers, Member Service, and ERM staff

Topics covered include:

- Deposit Accounts
