How can you help?

The Southeastern Credit Union Foundation's goal is to provide a **\$40,000** scholarship to **10 students** by the end of 2025. To reach our goal, through your support, we plan to create the Community Spark Scholarship Endowment Fund of **2 million dollars** by the end of 2023.

This endowment serves as the credit union community's commitment to providing hope and opportunity to the brightest and most talented youth who may not experience the transformative power of a degree without a scholarship. However, your contribution is more than a donation. It is an investment in our future.

The Southeastern Credit Union Foundation sincerely appreciates our generous supporters. Your contributions help fund our vital work to assist our member credit unions in financial wellness, collaborative community initiatives, disaster preparedness, and relief. Our desire to establish an endowment fund will provide a fiscally responsible and financially viable solution to fund the Community Spark Scholarships for many years. Your one-time contribution helps establish this endowment and will make a lasting difference for many deserving students.
