The LSCU Councils bring together credit union professionals with roles in:

- Lending
- Enterprise Risk Management
- Payments
- Marketing/Business Development
- Operations/Member Experience
- Accounting/Finance
- CEO
- Technology

LSCU Council Membership enables credit union professionals to learn, exchange ideas, make contacts with other professionals in the field and gain resources to help their credit union and other credit unions all while keeping up the latest trends and best practices in their field of expertise.

### By joining an LSCU Council, you get:

- Professional Development and Networking opportunities with other CU professionals.
- To attend interactive educational sessions virtually and in person that will address skills that will help you excel in your field.
- To share ideas and examples of what has worked for you at your credit union, along with the ability to view documents, policies, procedures, and product details on the latest of what is going on in the credit union space.
- Access to CONNECT, a private professional and social networking platform to collaborate with other council members.
- Engagement with vendors, sponsors and other specialized speakers in the financial field.
- Peer mentoring, professional advice, and practical job-related education and training.
